

J. Lewis Photography

A beautiful online experience that shows off Jerold's photographic talent.

This website will serve as a showcase of Jerold's photography, as well as provide a platform on which he can connect and communicate with those in the field as well as anyone interested in his work. The site will also serve as a photography portfolio available to anyone who wishes to hire him for photographic services.

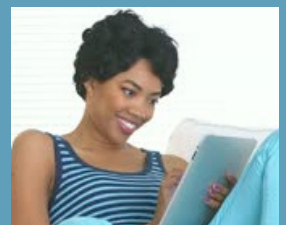

Amateur Photographer

Young, hobbyist photographer looking at other photographers' work online.

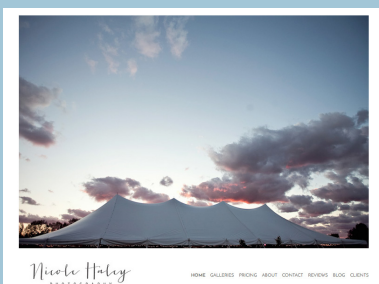

Potential Client

Middle aged, middle class. Looking for photographer for upcoming event.

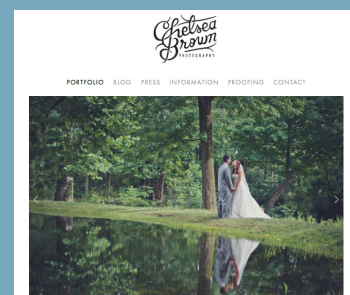

Online Acquaintance

Young adult, finds some of Jerold's work on photo sharing sites (i.e. Flickr), and follows links to site.
